AI & Tools	Model training • PyTorch • TensorFlow • WordPress • Git/GitHub • Expo • VS Code • Canva • CapCut • Biteable • Filmora

PROFESSIONAL EXPERIENCE

Content & SEO Specialist — **2025 – Present**

KASDO Company (UK-based) | Remote

- Manage website content and SEO for **CPD Courses**, **Oxford Home Study** and **Learn Artificial Intelligence**.
- Conduct keyword research to choose target terms for blogs and website pages.
- Perform on-page SEO: meta titles and descriptions, URL slugs, H1–H3 headings, internal linking, image optimization and keyword placement.
- Write, format, publish and update SEO-friendly blog posts and website content in WordPress.
- **Develop online courses:** upload and organize courses, format learning materials and prepare frontend course files for publication.
- Create Facebook posts and short branded videos for the CPD Courses YouTube channel using Canva, CapCut, Biteable and Filmora.
- Use AI tools to support content creation, research and content workflow tasks.

Full-Stack Developer Intern — **2-month internship**

Zynvex Solutions

- Developed a real-time chat application during a two-month Full-Stack Developer internship.
- Practised interface development, backend/API integration and real-time data handling.

DEVELOPMENT PROJECTS

Skin Disease Detection App — Final-Year Project

- Built a mobile app integrating the interface, API/backend, Firebase services and machine-learning model work. *React Native, JavaScript, Python, FastAPI, PyTorch, Firebase, Expo.*

Other web & app projects: Weather App • Calculator App • Recipe Manager Website • Tic-Tac-Toe • Image Gallery • Music Player • College Website • Landing Pages
